About LOGISTEC

LOGISTEC Corporation (TSX: LGT.A and LGT.B) is based in Montreal (QC) and offers a unique combination of diversified and specialized services in the marine and the environmental sectors.

Its terminal operations activities are in the areas of bulk, break-bulk and container cargo handling in North America. LOGISTEC also offers marine transportation services geared primarily to the Arctic coastal trade, and marine agency services in the Canadian market.

The Company operates in the environmental sector where it provides services to industrial, municipal and other governmental customers for site remediation, soil and material management, major site projects, infrastructure and lead solutions and water technology. Its new generation of water technology provides a sustainable solution for municipalities’ drinking water infrastructure. LOGISTEC also manufactures woven hoses destined to the firefighting industry and ones used in its water technology.
